Personal Dental Fees: **Orthodontics** 19/07//2017

All fees based on a time basis and lab fee using best materials available.

Fixed Brackets

In order for Nick to be able to carry out any orthodontic treatment firstly he needs to carry out a full orthodontic assessment. This one-hour appointment is needed for Nick to be able to take all the photographs, models, accurate measurement so a full treatment plan can be completed in order to make sure occlusion and the jaw joint isn't effected when moving teeth

This fee is non-refundable but will be deducted from the final bill if orthodontic treatment is carried through

Orthodontic Assessment	£192.00

Once the treatment plan has been written and you've decided orthodontics is the route you would like to take, you then have to make a decision as to which brackets you would like to have:

Discreet Brackets plus	£3895.00
Discreet Brackets	£3445.00
Metal Brackets	£2695.00

If you decide you would like to go ahead with orthodontic treatment a £500.00 deposit is required in order for us to order the brackets in

The day of fitting the brace a payment of £250.00 is required

Wire changes are required every 6-8 weeks. A breakdown of the remaining payment will be discussed for a figure to pay each visit.

Retainers only	£50.00 each arch
Metal Bonded Retainer	£182.00 each arch (including a removable retainer)
Repair to bonded retainer	£62.00

Please note if an OPG (radiograph) is required it is £45.00.

In some cases, extractions may be necessary, this is also chargeable but would be discussed in your treatment plan review.

Invisalign Go

Nick is now able to offer Invisalign Go. Invisalign Go is a new, simplified approach to planning and treating aesthetic cases (first premolar to first premolar) with advanced clear aligner technology. Wearing the aligners for 12 weeks to improve the appearance of the front teeth only. Please note this would not be advised in more complex cases and would be for aesthetic improvement only, not functional use.

Invisalign Go including retention	£2995.00

If you decide you would like to go ahead with orthodontic treatment a £1000.00 deposit is required in order for us to order the aligners

Reviews are required every 1-2 weeks. A breakdown of the remaining payment will be discussed for a figure to pay each visit.

A 5 % discount is honoured if full payment is made before any orthodontic treatment.
